

Estates

To comply with our obligations under the **Anti-Money Laundering and Countering the Financing of Terrorism Act 2009** (the Act), we are required to collect identity and address information from executors (before Probate is applied for) and beneficiaries receiving more than 25% of any estate (before a distribution is made). This also includes any other person authorised to act on their behalf.

We must also verify some of the information we have collected and we do this when you provide us with certified documents, as described below.

1. (PREFERRED OPTION). Please provide us with **certified copies** of the following:

- Your current and valid New Zealand passport, and
- A utility or rates bill less than 6 months old

Alternatively, please provide us with documents as described in option 2

2. (ALTERNATIVE OPTION). Please provide us with a **certified copy** of the following:

- Your current and valid New Zealand driver licence, and
- A Government issued document less than 12 months old, and
- A utility or rates bill less than 6 months old

If you are unable to provide us with the required documents, we will not be able to apply for Probate, or distribute funds to beneficiaries receiving more than 25% of the estate.

If you are unable to provide some or all of the identity and address documents, or have your documents certified as described, please contact your Wynn Williams adviser as soon as possible so that we may advise you regarding alternative options.

3. SUITABLE CERTIFIERS. Your identity and address documents must be certified by one of the following **trusted referees**:

The **trusted referee** who certifies your documents must:
